Each entry includes the day of the week, a large date number, the course name 'DLEA', the specific course 'ECON6032 - Managerial Economics', and the time '14:00 - 15:20 GMT+7'. The first three days (Mon, Tue, Wed) are marked as 'Video Conference' with a red button, while the fourth day (Thu) is marked as 'Online' with a purple button. The bottom of the screen has a navigation bar with icons for home, education, calendar, notifications, and a grid of apps.
